We are grateful to be opening our doors again amidst the ongoing COVID-19 pandemic. To stay safe while servicing our clients while also providing a comfortable experience, we are instituting the following precautions and procedures during the 2020-2021 senior portrait season:

FIRST AND FOREMOST:

If you or anyone you have been in close contact with have experienced any symptoms of COVID-19 within two weeks of your session, PLEASE RESCHEDULE. If any symptoms are displayed, you will not be allowed entry into the studio. Thank you in advance for your understanding.

OVERALL PRECAUTIONS:

- We are limiting the number of guests allowed into the studio at a time using controlled booking and limited access to studio space.
- Each shift, we will have an employee assigned to facilitate constant sanitation of the studio space and materials.
- We will have self-serve hand sanitizer bottles available throughout the studio.
- Photographers will be observing appropriate social distancing throughout each session.
- Assistants will be required to wear masks when in proximity and carry hand sanitizer for repeated usage.
- Both photographers and assistants will not be allowed to adjust hair or clothing throughout the session. We will be requesting for either the senior or their guest to make these adjustments.
- Dressing rooms and all clothing that is provided by Lily McGregor Photography will be sanitized before each usage.
